## Core Commitments

### Uphold the Norms that Safeguard Humanity

#### UPHOLD THE NORMS THAT SAFEGUARD HUMANITY

- Commit to promote and enhance respect for international humanitarian law, international human rights law, and refugee law, where applicable.
- Commit to promote and enhance the protection of civilians and civilian objects, especially in the conduct of hostilities, for instance by working to prevent civilian harm resulting from the use of wide-area explosive weapons in populated areas, and by sparing civilian infrastructure from military use in the conduct of military operations.
- Commit to ensure all populations in need receive rapid and unimpeded humanitarian assistance.
- Commit to promote and enhance efforts to respect and protect medical personnel, transports and facilities, as well as humanitarian relief personnel and assets against attacks, threats or other violent acts.
- Commit to speak out and systematically condemn serious violations of international humanitarian law and serious violations and abuses of international human rights law and to take concrete steps to ensure accountability of perpetrators when these acts amount to crimes under international law.

#### WOMEN AND GIRLS: CATALYZING ACTION TO ACHIEVE GENDER EQUALITY

- Implement a coordinated global approach to prevent and respond to gender-based violence in crisis contexts, including through the Call to Action on Protection from Gender-based Violence in Emergencies.
- Fully comply with humanitarian policies, frameworks and legally binding documents related to gender equality, women's empowerment, and women's rights.

### Leave No One Behind

#### WOMEN AND GIRLS: CATALYZING ACTION TO ACHIEVE GENDER EQUALITY

- Empower Women and Girls as change agents and leaders, including by increasing support for local women's groups to participate meaningfully in humanitarian action.
- Ensure universal access to sexual and reproductive health and reproductive rights as agreed in accordance with the Programme of Action of the International Conference on Population and Development and the Beijing Platform for Action and the Outcome documents of their review conferences for all women and adolescent girls in crisis settings.
- Ensure that humanitarian programming is gender responsive.

### Change People's Lives: From Delivering Aid to Ending Need

#### NATURAL DISASTERS AND CLIMATE CHANGE: MANAGING RISKS & CRISES DIFFERENTLY

- Commit to improve the understanding, anticipation and preparedness for disaster and climate-related risks by investing in data, analysis and early warning, and developing evidence-based decision-making processes that result in early action.
- Commit to increase investment in building community resilience as a critical first line of response, with the full and effective participation of women.

#### HUMANITARIAN FINANCING - INVESTING IN HUMANITY

- ◻ Commit to increase substantially and diversify global support and share of resources for humanitarian assistance aimed to address the differentiated needs of populations affected by humanitarian crises in fragile situations and complex emergencies, including increasing cash-based programming in situations where relevant.
  
- ◻ Commit to empower national and local humanitarian action by increasing the share of financing accessible to local and national humanitarian actors and supporting the enhancement of their national delivery systems, capacities and preparedness planning.
