## Individual commitments

### 4B Anticipate, do not wait, for crises

#### Individual Commitments

Commitment Description	Commitment Type	Core Responsibility	Commitment ID
CDEMA commits to support the Agenda for Humanity through anticipating rather than waiting for crises to occur. CDEMA's ultimate goal is the enhancement of the level of resilience of countries and safeguarding the lives of people.	Operational	Change People's Lives: From Delivering Aid to Ending Need	137001
CDEMA is in the process of developing the Caribbean Risk Information System (CRIS) which will provide global access to DRM and CCA data and serve as an information hub towards engendering a better understanding of disaster risks and the effects of climate change on regional development. ### 4C Deliver collective outcomes: transcend humanitarian-development divides

#### Individual Commitments

Commitment Description	Commitment Type	Core Responsibility	Commitment ID
CDEMA is committed to support the Agenda for Humanity through its support to building national response capacity and maintaining response capacity at the regional level. This is done through the Regional Response Mechanism (RRM) which is based on the collaboration and cooperation of CDEMA and a number of key regional organizations bound by a collection of Agreements, Memoranda of Understanding and Protocols for the provision of assistance to Caribbean Community (CARICOM) States.
