Operational	Change People's Lives: From Delivering Aid to Ending Need	159016

<p>Ethiopia recognizes that building the resilience of its people, ecosystems, and economic, social and political structures is critical for minimizing the various forms of damages and losses associated with disasters and climate-related risks. Hence, Ethiopia reaffirms its commitment to build a climate-resilient middle-income economy by 2025. Ethiopia in particular will improve the use of social protection schemes, including the existing Productive Safety Net Program, to effectively build the resilience of communities it supports. Ethiopia will also commit to make such schemes resilient to disasters. In all these, it will strengthen its participatory development process with a view to enhancing the full and effective participation of women. Ethiopia will improve the gender-responsiveness of its resilience-building and disaster response measures.</p>	Operational	Change People's Lives: From Delivering Aid to Ending Need	159018
<p>While calling for those in a position to do so to support its efforts, Ethiopia reaffirms its national policy which underlies the imperative that external humanitarian assistance should be delivered in a manner that complements national and local efforts.</p>	Policy	Change People's Lives: From Delivering Aid to Ending Need	159021

4B Anticipate, do not wait, for crises

Individual Commitments

Commitment Description	Commitment Type	Core Responsibility	Commitment ID

<p>Ethiopia commits to strengthen its capacity to generate, collect, and analyze data for better understanding, anticipation and preparedness for disaster and climate-related risks. To this effect, it will enhance its investment in modernizing and expanding its infrastructure, including meteorological and hydrological observation stations; in its education, training and research institutions; in its early warning and decision-making processes and institutions. It will continue to work with other countries and organizations in mobilizing resources and exchanging information.</p>	<p>Operational</p>	<p>Change People's Lives: From Delivering Aid to Ending Need</p>	<p>159014</p>
<p>Ethiopia recognizes that accelerated reduction of disaster and climate-related risks requires implementation of existing international cooperation and agreements. In this light, it reaffirms its commitment to implement the Sendai Framework for Disaster Risk Reduction 2015-2030, the 2030 Agenda for Sustainable Development and the Paris Agreement on Climate Change. It will enhance its efforts to mainstream these into its national development planning and delivery apparatus. It also calls upon others to enhance implementation of these international agreements and partnerships.</p>	<p>Policy</p>	<p>Change People's Lives: From Delivering Aid to Ending Need</p>	<p>159017</p>

<p>Recognizing that management of disaster and climate-related risks requires multi-sector and multi-level engagement, Ethiopia commits to reinforce leadership and capacities at all levels and sectors of government. It will continue to strengthen the smooth coordination and collaboration at all levels and sectors of government through better flow of information and support. Ethiopia reaffirms to cooperatively work with all stakeholders. Ethiopia further commits to strengthen its multi-hazard and multi-sectoral early warning and response system to enhance preparedness and early and effective response.</p>	Operational	Change People's Lives: From Delivering Aid to Ending Need	159020
