**Food and Agriculture Organization of the United Nations**  
**(FAO)**  
**2019**

## Individual commitments

### 1B Act early

#### Individual Commitments

Commitment Description	Commitment Type	Core Responsibility	Commitment ID
FAO commits to ensuring that key operational staff working in conflict-affected contexts are trained and competent in conflict-sensitivity best practice.	Capacity	Political Leadership to Prevent and End Conflicts	162019
FAO commits to operationalizing the guidance from the Committee on World Food Security's Framework for Action for Food Security and Nutrition in Protracted Crises (CFS-FFA) by strengthening conflict-sensitive programming and interventions by the Organization, and contributing to peacebuilding initiatives, as appropriate.	Operational	Political Leadership to Prevent and End Conflicts	162032
FAO commits to provide food security-related information to contribute to multidisciplinary analysis informing regular updates to the United Nations Security Council and political arms to the UN System on situations of concern.	Operational	Political Leadership to Prevent and End Conflicts	162035

### 1C Remain engaged and invest in stability

#### Individual Commitments

Commitment Description	Commitment Type	Core Responsibility	Commitment ID
FAO commits by mid-2017 to adopt a corporate policy, and related operational guidelines, on FAO's role, in line with its work and mandate, in contributing to conflict prevention, sustainable peace and stability as part of efforts by the wide UN system and community of practice.	Policy	Political Leadership to Prevent and End Conflicts	162005

FAO commits to increase the number of staff aware of, and trained in conflict analysis and conflict prevention related to policies and actions supporting food security and nutrition in governments, regional and international organizations by 2018.	Capacity	Political Leadership to Prevent and End Conflicts	162028
---	----------	---	--------

## 2B Ensure full access to and protection of the humanitarian and medical missions

### Individual Commitments

Commitment Description	Commitment Type	Core Responsibility	Commitment ID
FAO commits to ensuring that all its humanitarian response activities have the aim of making people safer, preserving their dignity and reducing vulnerabilities by building the skills of staff according to their duties in areas such as conflict-sensitivity, protection, negotiations with parties, security and access, internal strategies and policies, and international humanitarian law and human rights law.	Capacity	Uphold the Norms that Safeguard Humanity	162018

## 2D Take concrete steps to improve compliance and accountability

### Individual Commitments

Commitment Description	Commitment Type	Core Responsibility	Commitment ID
FAO commits to developing and implementing approaches and strategies for the engagement of men and boys as part of the solution to prevent and respond to gender-based violence in crisis settings by 2018.	Operational	Uphold the Norms that Safeguard Humanity	162002
FAO commits to increasing staff training on inclusion of gender sensitive and protection measures in the design and delivery of programmes to contribute to preventing and mitigating gender-based violence.	Training	Uphold the Norms that Safeguard Humanity	162029

## 3A Reduce and address displacement

### Individual Commitments

<b>Commitment Description</b>	<b>Commitment Type</b>	<b>Core Responsibility</b>	<b>Commitment ID</b>
FAO commits to a systemic corporate approach for inclusion of gender sensitive and youth inclusive measures in the design and delivery of programmes addressing forced displacement.	Operational	Leave No One Behind	162006
FAO commits to develop new partnerships, including with the private sector, to encourage innovative approaches to support the self-reliance of refugees and IDPs, through portable skills, viable employment opportunities, sustainable socio-economic entrepreneurship, and livelihood diversification.	Partnership	Leave No One Behind	162012
FAO commits to developing a corporate operational framework to support solutions for displaced persons, including through provision of viable livelihood opportunities in places of origin, in transit and in host countries.	Policy	Leave No One Behind	162013
FAO commits to strengthen its ability to identify and address the relevant drivers and triggers of forced displacement, as early as possible, through Early Warning for Early Action mechanisms, and take rapid action to prevent situations from becoming protracted.	Operational	Leave No One Behind	162040
FAO recognizes that forced displacement is both a humanitarian and development issue, and commits to work with global initiatives such as the Solutions Alliance, and aligns itself with its vision.	Policy	Leave No One Behind	162049

### **Empower and protect women and girls**

#### **Individual Commitments**

<b>Commitment Description</b>	<b>Commitment Type</b>	<b>Core Responsibility</b>	<b>Commitment ID</b>

FAO commits to build on and strengthen women's knowledge and capacities to meaningfully involve them in the design, monitoring and delivery of targeted projects, programmes and policy support to better meet the needs of women and girls in humanitarian action.	Operational	Leave No One Behind	162001
FAO commits to provide increased numbers of womens groups with capacity development support to facilitate rural womens access to services, knowledge and economic opportunities by 2018.	Capacity	Leave No One Behind	162003
FAO commits to empowering women and their organizations, promoting equal rights and participation for women and men, girls and boys, and addressing gender inequalities, by following the guidance laid out in the Committee on World Food Security's Framework for Action for Food Security and Nutrition in Protracted Crises (CFS-FFA).	Capacity	Leave No One Behind	162015
FAO commits to identifying and analyzing, through the use of sex and age disaggregated data, the different vulnerabilities and challenges women and men of all ages face, and scale up evidence-based gender-responsive programming in order to generate a long-term impact on livelihoods and resilience.	Operational	Leave No One Behind	162022
FAO commits to implement the findings and recommendations of the IASC Gender Policy Review.	Operational	Leave No One Behind	162024
FAO commits to increase deployment of women facilitators and field staff to improve outreach to women, e.g. through training women as community vaccinators, animal health workers, extension officers, facilitators, and through strategic local partnerships with women's organizations.	Operational	Leave No One Behind	162027

FAO commits to prioritize supporting organizations and activities that advance women's access to nutritious food and their access to and control over land and other productive resources; strengthening rural women's organizations and networks; increasing women's participation and leadership in rural institutions; incorporating knowledge of agriculture into programmes and projects; and ensuring the development of technologies and services that reduce women's work burden.	Operational	Leave No One Behind	162033
---	-------------	---------------------	--------

## **4A Reinforce, do not replace, national and local systems**

### **Individual Commitments**

<b>Commitment Description</b>	<b>Commitment Type</b>	<b>Core Responsibility</b>	<b>Commitment ID</b>
FAO commits to build and strengthen strategic partnerships with governments, local actors and well as UN partners to enhance their capacity to effectively address prevention and response to crises, including through shock-responsive social protection systems.	Partnership	Change People's Lives: From Delivering Aid to Ending Need	162009
FAO commits to ensuring that local capacities are reinforced and not replaced, and accordingly that greater roles and responsibilities are entrusted to local organizations and local actors in resilience programming, design, implementation and monitoring.	Operational	Change People's Lives: From Delivering Aid to Ending Need	162020
FAO commits to identifying and supporting transformative approaches in humanitarian situations that encourage meaningful participation by women and girls in local action and decision-making, e.g. through farmer field schools and other community-based participatory approaches.	Policy	Change People's Lives: From Delivering Aid to Ending Need	162023

FAO commits to reassessing its corporate mechanisms for partnership and financial engagement with NGOs, by introducing new administrative mechanisms and supporting the Charter for Change.	Financial	Change People's Lives: From Delivering Aid to Ending Need	162036
FAO commits to scaling up its work on the role of social protection in fragile contexts, as well as engagement in social protection work, through operational research on cash and livelihoods work in over 15 countries by the end of 2017.	Operational	Change People's Lives: From Delivering Aid to Ending Need	162038
FAO commits to strengthen capacities in the agricultural sectors of countries and communities to benefit from social protection and risk transfer pools.	Capacity	Change People's Lives: From Delivering Aid to Ending Need	162039
FAO commits to support agriculture-based livelihoods in conflict situations, helping people who decide to stay on their land to be productive, contributing to food security and resilience outcomes.	Operational	Change People's Lives: From Delivering Aid to Ending Need	162042
FAO commits to support men and women in over 45 countries with improved application of integrated and/or sector-specific standards, technologies and practices for resilience measurement, vulnerability reduction, risk prevention, and preparedness with a particular focus on countries recurrently exposed to natural hazards and protracted crisis situations, and in line with principles of the Committee on World Food Security's Framework for Action for Food Security and Nutrition in Protracted Crises (CFS-FFA).	Operational	Change People's Lives: From Delivering Aid to Ending Need	162043
FAO commits to support the strengthening of early warning related to agriculture, food security and nutrition to inform the design of shock-responsive social protection systems.	Operational	Change People's Lives: From Delivering Aid to Ending Need	162044

FAO commits to translate into operational terms the goal of cash-based delivery of assistance as preferred method, where the context allows.	Operational	Change People's Lives: From Delivering Aid to Ending Need	162045
--	-------------	---	--------

## **4B** Anticipate, do not wait, for crises

### Individual Commitments

Commitment Description	Commitment Type	Core Responsibility	Commitment ID
FAO commits to accelerate the reduction of disaster and climate-related risks that impact food and agriculture through enhanced support to 30 countries in the coherent implementation of relevant global frameworks on disaster risk reduction, climate change and sustainable development by mainstreaming disaster risk reduction and climate change adaptation into agricultural policies that are inclusive, gender-sensitive and people-centred.	Operational	Change People's Lives: From Delivering Aid to Ending Need	162007
FAO commits to contribute to the achievement of collective outcomes like the A2R Initiative of the UNSG, the Global Preparedness Partnership, the Rome-based UN Agencies initiative for resilience, and the International Federation of Red Cross and Red Crescent Societies (IFRC) One Billion Coalition for Resilience to strengthen the resilience of 1 billion people by 2025.	Operational	Change People's Lives: From Delivering Aid to Ending Need	162011
FAO commits to enhancing coordination and improved investment programming for risk reduction and crisis management in at least 15 countries by the end of 2017.	Operational	Change People's Lives: From Delivering Aid to Ending Need	162017

<p>FAO commits to improve the understanding, anticipation and preparedness for climate and food chain related risks, disasters and crises by investing in data, analysis and information and early warning systems like the Information for Nutrition Food Security and Resilience for Decision Making (INFORMED), the Global Information and Early Warning System on Food and Agriculture (GIEWS), the Integrated Food Security Phase Classification (IPC), the Emergency Prevention System (EMPRES), and LOCUSTWATCH, and developing evidence-based decision-making processes that result in risk reduction and early action. An innovative Early Warning Early Action system will be rolled out in 30 disaster-or crisis-prone countries over the next five years.</p>	<p>Operational</p>	<p>Change People's Lives: From Delivering Aid to Ending Need</p>	<p>162025</p>
<p>FAO commits to improving data and evidence building through resilience and vulnerability mapping, measurement and analysis to better inform policy and investment decisions, and to make this information open and accessible, particularly through multi-partner mechanisms such as the Global Food Security Cluster.</p>	<p>Operational</p>	<p>Change People's Lives: From Delivering Aid to Ending Need</p>	<p>162026</p>
<p>FAO commits to increasing the number of joint risk and threat monitoring mechanisms and systems supported by the Organization and partners to enhance delivery of early warnings related to agriculture, food security and nutrition, which may mitigate instability and conflict - e.g. on climate change, food price volatility, food insecurity, and food chain crises - and to making this information publicly available and to shape humanitarian and development responses.</p>	<p>Operational</p>	<p>Change People's Lives: From Delivering Aid to Ending Need</p>	<p>162030</p>

FAO commits to institutionalize a mechanism to monitor damages and losses caused by disasters and crises to agriculture, forestry, and fisheries to better inform policy decision-making.	Operational	Change People's Lives: From Delivering Aid to Ending Need	162031
---	-------------	---	--------

### Joint Commitments

Commitment Description	Joint Commitment	Commitment Type	Core Responsibility	Commitment ID
Together with WHO and OIE, FAO commits to combatting emerging pandemic threats of animal origin and high impact animal diseases by adopting more effective health risk management strategies, as part of integrated and multisectoral approaches (e.g. One Health).		Policy	Change People's Lives: From Delivering Aid to Ending Need	162004
Other Partners that are yet to register: <a href="#">WHO</a> , <a href="#">World Organisation for Animal Health</a>				
FAO commits, by the end of 2016, in partnership with the Rome-based UN Agencies and the Office for the Coordination of Humanitarian Affairs (OCHA), to agree on joint steps, within defined timelines, to ensure early collective action related to future El Nino and La Nina events, resource partners, and early investment in preparedness and resilience initiatives.		Operational	Change People's Lives: From Delivering Aid to Ending Need	162047
Other Partners that are yet to register: <a href="#">WFP</a> , <a href="#">IFAD</a> , <a href="#">OCHA</a>				

## Deliver collective outcomes: transcend humanitarian-development divides

### Individual Commitments

Commitment Description	Commitment Type	Core Responsibility	Commitment ID

<p>FAO commits to adopt a new model of working, based on a coordinated analysis of vulnerability as well as other tools and processes such as multi-year planning that enable humanitarian-development collaboration to meet humanitarian needs, and reduce people's risk and vulnerability and increase resilience at national levels.</p>	Operational	Change People's Lives: From Delivering Aid to Ending Need	162008
<p>FAO commits to continue working with national and regional bodies in over 40 countries in developing capacities for food security and nutrition information analysis and resilience measurement, e.g. under the joint European Union-FAO country driven information on Food Security, Nutrition and Resilience for Decision Making programme.</p>	Capacity	Change People's Lives: From Delivering Aid to Ending Need	162010
<p>FAO commits to effectively link financial contributions to ensure multi-year humanitarian planning and programming through its corporate Country Programming Framework to cover the full risk management cycle, with an explicit prioritization of prevention and resilience building, and to incorporate exit strategies linked to more involvement of development and other planning and programming.</p>	Operational	Change People's Lives: From Delivering Aid to Ending Need	162014
<p>FAO commits to engaging in joint vulnerability and needs assessments that are articulated around a resilience framework and strategic collective outcomes.</p>	Operational	Change People's Lives: From Delivering Aid to Ending Need	162016
<p>FAO recommits to support the progressive realization of the right to adequate food in the context of national food security. The right to food and the human rights-based approach are part of the corporate commitments of FAO under its 2010-2019 strategic framework, and are substantively interrelated with other cross-cutting issues in the various areas of work of FAO, such as governance, gender and nutrition.</p>	Advocacy	Change People's Lives: From Delivering Aid to Ending Need	162050

## 5A Invest in local capacities

### Individual Commitments

Commitment Description	Commitment Type	Core Responsibility	Commitment ID
FAO commits to strengthening the mechanisms for coordination at country level and globally to maximize policy coherence and a common theory of change across pooled funds and advocate for sustained capitalization of pooled funds.	Financial	Invest in Humanity	162041

## 5B Invest according to risk

### Individual Commitments

Commitment Description	Commitment Type	Core Responsibility	Commitment ID
FAO commits to expanding its work, together with its partners in the Red Cross and Red Crescent movement, on forecast-based financing and risk financing with members of the SPIAC-B on developing shock-responsive social protection mechanisms.	Financial	Invest in Humanity	162021

## 5D Finance outcomes, not fragmentation: shift from funding to financing

### Individual Commitments

Commitment Description	Commitment Type	Core Responsibility	Commitment ID
FAO commits to promote flexible and un-earmarked funding mechanisms to better strengthen coherence of interventions and adjust to the evolution of needs.	Financial	Invest in Humanity	162034
FAO commits to removing the internal institutional barriers between humanitarian and development finance, both at headquarters and at country level, in order to mobilize the right mix of humanitarian and development finance to end needs.	Financial	Invest in Humanity	162037

### Joint Commitments

Commitment Description	Joint Commitment	Commitment Type	Core Responsibility	Commitment ID
------------------------	------------------	-----------------	---------------------	---------------

<p>FAO commits to, together with OCHA, UNDP, the Multi-Partner Trust Fund Office and the Multilateral Development Banks, including the World Bank, towards an integrated framework for funding in and for protracted crisis that supports a drive towards greater alignment across humanitarian, development, peace and human rights actors, and captures various sources of financing.</p> <p>Other Partners that are yet to register: <a href="#">OCHA</a>, <a href="#">UNDP-MPTF Office</a>, <a href="#">Multilateral Development Banks</a>, including the <a href="#">World Bank</a></p>	Financial	Invest in Humanity	162046
--	-----------	--------------------	--------

**5E Diversify the resource base and increase cost-efficiency**

**Individual Commitments**

Commitment Description	Commitment Type	Core Responsibility	Commitment ID
<p>FAO is committed to implementing the commitments under the Grand Bargain, particularly on improving transparency through its participation in International Aid Transparency Initiative (IATI).</p>	Financial	Invest in Humanity	162048

## Core Commitments

### Political Leadership to Prevent and End Conflicts

#### POLITICAL LEADERSHIP TO PREVENT AND END CONFLICTS

- Commit to act early upon potential conflict situations based on early warning findings and shared conflict analysis, in accordance with international law.
- Commit to improve prevention and peaceful resolution capacities at the national, regional and international level improving the ability to work on multiple crises simultaneously.
- Commit to sustain political leadership and engagement through all stages of a crisis to prevent the emergence or relapse into conflict.
- Commit to address root causes of conflict and work to reduce fragility by investing in the development of inclusive, peaceful societies.
- Commit to make successful conflict prevention visible by capturing, consolidating and sharing good practices and lessons learnt.

### Uphold the Norms that Safeguard Humanity

#### UPHOLD THE NORMS THAT SAFEGUARD HUMANITY

- Commit to promote and enhance respect for international humanitarian law, international human rights law, and refugee law, where applicable.
- Commit to promote and enhance the protection of civilians and civilian objects, especially in the conduct of hostilities, for instance by working to prevent civilian harm resulting from the use of wide-area explosive weapons in populated areas, and by sparing civilian infrastructure from military use in the conduct of military operations.
- Commit to ensure all populations in need receive rapid and unimpeded humanitarian assistance.
- Commit to promote and enhance efforts to respect and protect medical personnel, transports and facilities, as well as humanitarian relief personnel and assets against attacks, threats or other violent acts.
- Commit to speak out and systematically condemn serious violations of international humanitarian law and serious violations and abuses of international human rights law and to take concrete steps to ensure accountability of perpetrators when these acts amount to crimes under international law.

#### WOMEN AND GIRLS: CATALYZING ACTION TO ACHIEVE GENDER EQUALITY

- Implement a coordinated global approach to prevent and respond to gender-based violence in crisis contexts, including through the Call to Action on Protection from Gender-based Violence in Emergencies.
- Fully comply with humanitarian policies, frameworks and legally binding documents related to gender equality, women's empowerment, and women's rights.

### Leave No One Behind

#### LEAVING NO ONE BEHIND - A COMMITMENT TO ADDRESS FORCED DISPLACEMENT

- Commit to a new approach to addressing forced displacement that not only meets immediate humanitarian needs but reduces vulnerability and improves the resilience, self-reliance and protection of refugees and IDPs. Commit to implementing this new approach through coherent international, regional and national efforts that recognize both the humanitarian and development challenges of displacement. Commit to take the necessary political, policy, legal and financial steps required to address these challenges for the specific context.
- Commit to promote and support safe, dignified and durable solutions for internally displaced persons and refugees. Commit to do so in a coherent and measurable manner through international, regional and national programs and by taking the necessary policy, legal and financial steps required for the specific contexts and in order to work towards a target of 50 percent reduction in internal displacement by 2030.
- Acknowledge the global public good provided by countries and communities which are hosting large numbers of refugees. Commit to providing communities with large numbers of displaced population or receiving large numbers of returnees with the necessary political, policy and financial, support to address the humanitarian and socio-economic impact. To this end, commit to strengthen multilateral financing instruments. Commit to foster host communities' self-reliance and resilience, as part of the comprehensive and integrated approach outlined in core commitment 1.
- Commit to collectively work towards a Global Compact on responsibility-sharing for refugees to safeguard the rights of refugees, while also effectively and predictably supporting States affected by such movements.
- Commit to actively work to uphold the institution of asylum and the principle of non-refoulement. Commit to support further accession to and strengthened implementation of national, regional and international laws and policy frameworks that ensure and improve the protection of refugees and IDPs, such as the 1951 Convention relating to the Status of Refugees and the 1967 Protocol or the AU Convention for the Protection and Assistance of Internally Displaced Persons in Africa (Kampala convention) or the Guiding Principles on internal displacement.

#### **WOMEN AND GIRLS: CATALYZING ACTION TO ACHIEVE GENDER EQUALITY**

- Empower Women and Girls as change agents and leaders, including by increasing support for local women's groups to participate meaningfully in humanitarian action.
- Ensure universal access to sexual and reproductive health and reproductive rights as agreed in accordance with the Programme of Action of the International Conference on Population and Development and the Beijing Platform for Action and the Outcome documents of their review conferences for all women and adolescent girls in crisis settings.
- Ensure that humanitarian programming is gender responsive.

### **Change People's Lives: From Delivering Aid to Ending Need**

#### **CHANGING PEOPLE'S LIVES - FROM DELIVERING AID TO ENDING NEED**

- Commit to a new way of working that meets people's immediate humanitarian needs, while at the same time reducing risk and vulnerability over multiple years through the achievement of collective outcomes. To achieve this, commit to the following: a) Anticipate, Do Not Wait: to invest in risk analysis and to incentivize early action in order to minimize the impact and frequency of known risks and hazards on people. b) Reinforce, Do Not Replace: to support and invest in local, national and regional leadership, capacity strengthening and response systems, avoiding duplicative international mechanisms wherever possible. c) Preserve and retain emergency capacity: to deliver predictable and flexible urgent and life-saving assistance and protection in accordance with humanitarian principles. d) Transcend Humanitarian-Development Divides: work together, toward collective outcomes that ensure humanitarian needs are met, while at the same time reducing risk and vulnerability over multiple years and based on the comparative advantage of a diverse range of actors. The primacy of humanitarian principles will continue to underpin humanitarian action.

- Commit to enable coherent financing that avoids fragmentation by supporting collective outcomes over multiple years, supporting those with demonstrated comparative advantage to deliver in context.

#### **NATURAL DISASTERS AND CLIMATE CHANGE: MANAGING RISKS & CRISES DIFFERENTLY**

- Commit to accelerate the reduction of disaster and climate-related risks through the coherent implementation of the Sendai Framework for Disaster Risk Reduction 2015-2030, the 2030 Agenda for Sustainable Development and the Paris Agreement on Climate Change, as well as other relevant strategies and programs of action, including the SIDS Accelerated Modalities of Action (SAMOA) Pathway.
- Commit to reinforce national and local leadership and capacities in managing disaster and climate-related risks through strengthened preparedness and predictable response and recovery arrangements.
- Commit to improve the understanding, anticipation and preparedness for disaster and climate-related risks by investing in data, analysis and early warning, and developing evidence-based decision-making processes that result in early action.
- Commit to increase investment in building community resilience as a critical first line of response, with the full and effective participation of women.
- Commit to ensure regional and global humanitarian assistance for natural disasters complements national and local efforts.

#### **HUMANITARIAN FINANCING - INVESTING IN HUMANITY**

- Commit to increase substantially and diversify global support and share of resources for humanitarian assistance aimed to address the differentiated needs of populations affected by humanitarian crises in fragile situations and complex emergencies, including increasing cash-based programming in situations where relevant.
- Commit to empower national and local humanitarian action by increasing the share of financing accessible to local and national humanitarian actors and supporting the enhancement of their national delivery systems, capacities and preparedness planning.

### **Invest in Humanity**

#### **HUMANITARIAN FINANCING - INVESTING IN HUMANITY**

- Commit to promote and increase predictable, multi-year, unearmarked, collaborative and flexible humanitarian funding toward greater efficiency, effectiveness, transparency and accountability of humanitarian action for affected people.
- Commit to invest in risk management, preparedness and crisis prevention capacity to build the resilience of vulnerable and affected people.
- Commit to broaden and adapt the global instruments and approaches to meet urgent needs, reduce risk and vulnerability and increase resilience, without adverse impact on humanitarian principles and overall action (as also proposed in Round Table on "Changing Lives").
