Individual Commitments			
Commitment Description	Commitment Type	Core Responsibility	Commitment ID
FHI 360 commits to developing tools and methods for integrated approaches that will advance the Agenda for Humanity and specifically core responsibility four. It commits to leveraging the investments already made in advancing the integrated development agenda as well as continuing to invest over the coming years. FHI 360 commits to facilitating a conversation in the global community about more integrated approaches to increase effectiveness in the context of humanitarian need and supporting the development of an evidence-base for proven approaches.
