4A Reinforce, do not replace, national and local systems

Individual Commitments

Commitment Description	Commitment Type	Core Responsibility	Commitment ID
<p>Fiji commits to continue its proactive work to reduce the vulnerability of communities in Fiji and the region and build resilience to displacement risk through the Integrated Vulnerability and Adaptation Assessment (IVA) tool. While this tool was developed locally, through support from regional Government's and development partners, it can be customized to suit the context of other Pacific Island Countries. Fiji is willing to play its part in supporting other Pacific Island Countries and SIDS in their resilience building efforts.</p>	Operational	Change People's Lives: From Delivering Aid to Ending Need	164002
