## Core Commitments

### Leave No One Behind

#### LEAVING NO ONE BEHIND - A COMMITMENT TO ADDRESS FORCED DISPLACEMENT

- Commit to promote and support safe, dignified and durable solutions for internally displaced persons and refugees. Commit to do so in a coherent and measurable manner through international, regional and national programs and by taking the necessary policy, legal and financial steps required for the specific contexts and in order to work towards a target of 50 percent reduction in internal displacement by 2030.

### Change People's Lives: From Delivering Aid to Ending Need

#### CHANGING PEOPLE'S LIVES - FROM DELIVERING AID TO ENDING NEED

- Commit to a new way of working that meets people's immediate humanitarian needs, while at the same time reducing risk and vulnerability over multiple years through the achievement of collective outcomes. To achieve this, commit to the following: a) Anticipate, Do Not Wait: to invest in risk analysis and to incentivize early action in order to minimize the impact and frequency of known risks and hazards on people. b) Reinforce, Do Not Replace: to support and invest in local, national and regional leadership, capacity strengthening and response systems, avoiding duplicative international mechanisms wherever possible. c) Preserve and retain emergency capacity: to deliver predictable and flexible urgent and life-saving assistance and protection in accordance with humanitarian principles. d) Transcend Humanitarian-Development Divides: work together, toward collective outcomes that ensure humanitarian needs are met, while at the same time reducing risk and vulnerability over multiple years and based on the comparative advantage of a diverse range of actors. The primacy of humanitarian principles will continue to underpin humanitarian action.
- Commit to enable coherent financing that avoids fragmentation by supporting collective outcomes over multiple years, supporting those with demonstrated comparative advantage to deliver in context.

#### NATURAL DISASTERS AND CLIMATE CHANGE: MANAGING RISKS & CRISES DIFFERENTLY

- Commit to reinforce national and local leadership and capacities in managing disaster and climate-related risks through strengthened preparedness and predictable response and recovery arrangements.
- Commit to ensure regional and global humanitarian assistance for natural disasters complements national and local efforts.

#### HUMANITARIAN FINANCING - INVESTING IN HUMANITY

- Commit to increase substantially and diversify global support and share of resources for humanitarian assistance aimed to address the differentiated needs of populations affected by humanitarian crises in fragile situations and complex emergencies, including increasing cash-based programming in situations where relevant.
- Commit to empower national and local humanitarian action by increasing the share of financing accessible to local and national humanitarian actors and supporting the enhancement of their national delivery systems, capacities and preparedness planning.

### Invest in Humanity

#### HUMANITARIAN FINANCING - INVESTING IN HUMANITY

- ◻ Commit to promote and increase predictable, multi-year, unearmarked, collaborative and flexible humanitarian funding toward greater efficiency, effectiveness, transparency and accountability of humanitarian action for affected people.
- ◻ Commit to invest in risk management, preparedness and crisis prevention capacity to build the resilience of vulnerable and affected people.
- ◻ Commit to broaden and adapt the global instruments and approaches to meet urgent needs, reduce risk and vulnerability and increase resilience, without adverse impact on humanitarian principles and overall action (as also proposed in Round Table on "Changing Lives").
