Commitment Description	Commitment Type	Core Responsibility	Commitment ID
Using a concept of shared security, AFSC will influence key decision-makers and non-traditional allies globally to choose peaceful transformation of conflict in the areas of migration, political and organized violence, business and peace, and election violence prevention. Using our learning from program work and policy analyses, AFSC will mobilize a global consortium, engaging communities with international policy platforms, developing and amplifying shared security messages through strategic media campaigns, evidence-based advocacy, network building to change dominant narratives, practice and policy multilateral levels.
