Commitment Description	Commitment Type	Core Responsibility	Commitment ID
Global Compact Network Malaysia commits to working with the United Nations and other stakeholders to formalize a private sector network for disaster risk reduction, emergency preparedness, response and recovery in Malaysia as part of the Connecting Business initiative. Expanding on its current initiatives on resilient supply chains, the network will be launched after the World Humanitarian Summit, with a work plan established for priority activities to build the capacity of businesses to withstand and recovery from disasters, as well as to contribute to the response and reconstruction efforts.
