

The Grand Bargain in 2017

Signatories reported actions at an average rate of 52% against the commitments...

...and three workstreams are performing relatively well...

Workstream 3:
Increase the use and coordination of cash

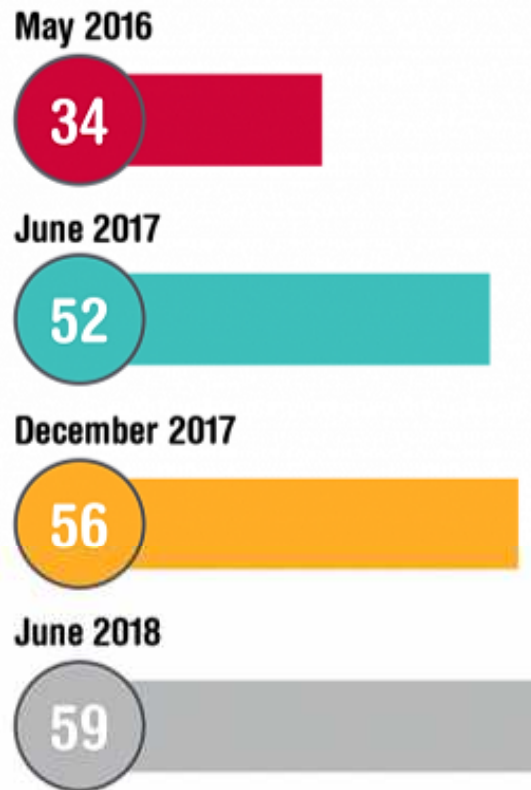

Workstream 6:
A participation revolution

Workstream 7:
Increase collaborative humanitarian multi-year planning and funding

...but progress remains uneven

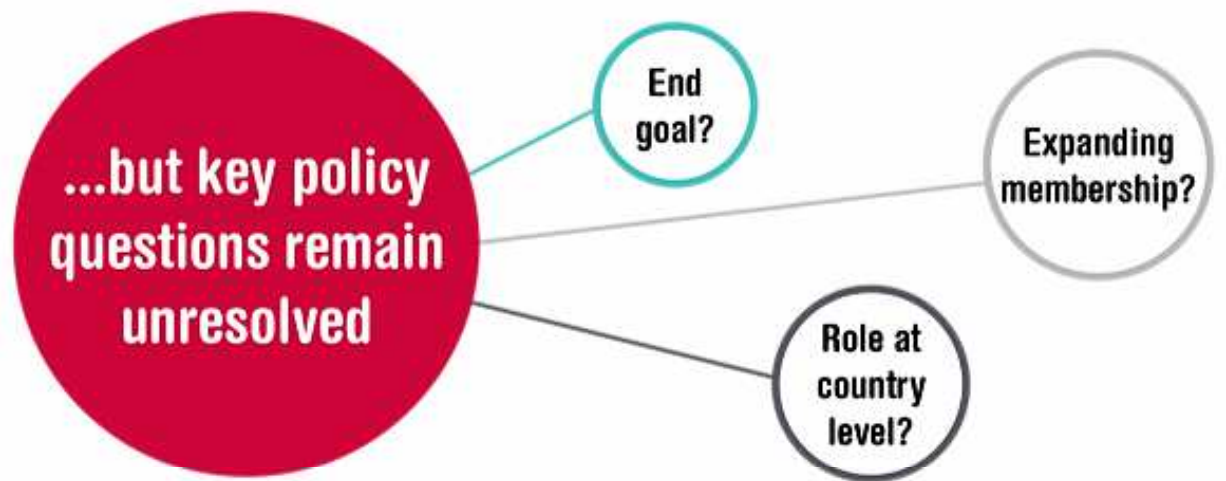

Membership has increased...

...but there are concerns that the quid pro quo is not functioning

Consensus that the Grand Bargain is a catalyst for systemic change...

Recommendations

1. Rationalise, prioritise and target efforts to commitments
2. Lighten the bureaucratic burden on signatories
3. Find pragmatic and creative ways to achieve the same outcomes
4. Define a practical and consistent methodology for assessing progress
5. Get the 'bargain' back on track
6. Strengthen political leadership
